Criteria for the awarding of Achievement Badges - Primary School

Type of awards

Academic, Sport & Culture

General Rules

1. Badges are awarded to learners to acknowledge their achievements in academic, cultural and sport disciplines.
2. Awards will be considered based on the measured criteria, good behaviour, loyalty, devotion and attendance of a learner.

In the case of serious misbehaviour an award may be revoked or held back.

3. Achievement badges will only be awarded to a learner from the school who achieved while he/she is an enrolled learner of the school.
4. Achievement badges are awarded to non school sport for achievements on provincial/national level. Proof of achievement must be provided i.e. certificate and an official letter from the coach.
5. In the case where an achievement is re-awarded, the learner will not receive a badge again, only a certificate.
6. Non school sport will only be considered when the application form is complete and written proof of certificates accompany the application.
7. All academic achievement awards will be coordinated by the teachers.
8. An Achievement badge can only be awarded in the year in which the achievement was obtained.
9. This policy will be reviewed annually by a committee representative of the primary school management team, sports management, cultural management as well as a parent of the Parent Advisory Committee.
