Class size: Maximum 21 learners per class
School times: Monday to Friday 08:00 – 13:00
Two early classes available from 07:00
Aftercare facilities available from 13:00 – 17:30

WOODHILL

COLLEGE

Home away from home

At Woodhill College Pre-primary School we believe in the magic of CHILDHOOD, the JOY of being young and the unbridled INNOCENCE of youth.

- 1. The Unique Child:** Woodhill College Pre-primary School recognises that every child is a competent learner from birth who can be resilient, capable, confident and self-assured.
- 2. Positive Relationships:** Woodhill College Pre-primary School children learn to be strong and independent from a base of loving and secure relationships with parents and or a key person (educator).

We focus on:

- 3. Learning and Development:** Our children develop and learn in different ways and at different rates and all areas of learning and development are equally important and are inter-connected.
- 4. Enabling Environments:** Our environment plays a key role in supporting and extending a child's development and learning.

Extramural activities

Offered by private tutors/coaches held on our premises, include:

Ballet, drama, pottery, chess, Mickey Maths, Kumon Maths and English, A+ Students, Little Lab Coats, Playball, Kindergym, swimming, golf, tennis, rugby, piano and guitar

The daily programme:

- Age-appropriate curriculum
- Fantasy play
- Perceptual development
- Creative activities
- Outdoor play
- Gross motor activities
- Thematic approach

The early learning goals for the pre-primary child
Our preschool curriculum is designed with Early Learning Goals in mind:

- Physical well-being:** health and safety, gross motor development, fine motor development
- Identity and belonging:** self-awareness, self-management, social awareness and social management
- Communication:** listen and understand, speak and communicate, make meaning and represent
- Mathematics:** quantity and number, measurement, patterns, shape and space, data collection, time and ordination
- Creativity:** daily life and play, visual arts, performing arts
- Learning about the world:** exploration and inquiry, knowledge and understanding

- We have created a centre of learning where children can realise their full potential by providing a comprehensive, individually orientated education of the highest standard.
- Woodhill College Pre-primary School provides a sound foundation for meeting the tasks and challenges of future learning.
- We create an environment of opportunity where the child learns general knowledge, the right attitudes, ethical and moral principles.
- We encourage and teach each child social and life skills in a warm and loving environment.
- We acknowledge that each child is an individual and we allow them to work at their own pace.
- We create a sound and safe environment where each child is extended and growth is encouraged academically, socially, emotionally and spiritually.
- The curriculum includes LEGO Education learning concepts and the activities built around Lego soft bricks form the important early foundations for later Robotics studies.
- Gross motor activities, water safety and music are included in our weekly programme.
- Parent consultations take place in the 1st and 3rd terms, whilst written reports are provided at the end of the 2nd and 4th terms. This ensures that parents are kept up to date with their child's progress.
- With the emphasis on 'learning by doing' our Pre-primary School learners are encouraged to experiment and investigate as a way of learning.
- Our dedicated educators provide a safe and loving environment in which each child can grow and flourish.
- We encourage the development of self-esteem, self-confidence, social and emotional skills.
- We have a Remedial Centre consisting of our remedial coordinator, educational psychologist, occupational therapists and speech therapist. Remedial and support teachers are resident on the campus to assist your child with any problems he/she may experience.

How to enrol:

STEP 1:

All relevant forms are available on:
www.woodhillcollege.co.za or email
alacia.b@curro.co.za

WHAT HAPPENS NEXT?

STEP 2:

Complete the following:

- Application for admission
- Debit-order form

Attach all supporting documents and submit to the school.

STEP 3:

An assessment date is scheduled and acceptance will be pending the outcome of the assessment.

STEP 4:

Once the learner has been accepted, the application will be captured, at which time an account code will be generated. The account holder will then receive an invoice for the once-off non-refundable enrolment fee as well as the welcome letter.

STEP 5:

Once the enrolment fee is paid and received the learner is officially enrolled.

STEP 6:

Please refer to MyHub regularly to stay up to date with all the relevant news and arrangements.

We aim to inspire young minds to become extraordinary through the unique Curro nursery school curriculum.
