Meridian Karino – building futures through excellent education

Our ethos is governed by Christian values, where learners are encouraged to explore and express their individuality within acceptable boundaries, and ultimately take responsibility for their actions. We guide them to follow their hearts and minds to develop into the best people they can be.

Our dynamic curriculum covers problem-solving, creative thinking and the development of skills and values. Both individual and group work are evaluated.

Meridian Karino produces a community of teenagers who know how to think innovatively, express their ideas and take charge of their own lives.

Learners are prepared for the National Senior Certificate (NSC) matriculation examinations set by the Department of Basic Education.
