CURRO COMMUNIKÉ

Carnival Edition
March 2018

**20 years celebration
Carnival 2018**

Overview

The Curro Circus Carnival, as part of our Curro 20th celebration, has exceeded all our expectations! Everyone and everything worked together in a wonderful way, from our parents, the learners, the educators and even the weather. We had the occasional drizzle, which cooled us off, but didn't affect our festive mood.

An amazing, colourful scene of balloons and stalls greeted us on the morning of Friday, 23 February.

The carnival kicked off with a parade of 1 400 learners who wore their green 20th celebration T-shirts and sat in the shape of a 20 on the Astro hockey field. This was captured by a drone and impressive photos were taken from above.

Ms Stephanie van der Merwe and the main leaders of the campus did the opening of this festive day.

The festivities started soon afterwards. Even the educators enjoyed themselves on the fun rides and the brave ones went on the Tornado. Some pale faces and unsteady people were to be seen afterwards!

Suddenly, there was an explosion of colour, exuberant learners and even parents who just couldn't get enough of the fun rides. The rides proved to be a winner! Happy and friendly faces were seen everywhere.

The ticket office was a hive of activity, as people kept on returning to buy more tickets. Long queues lined up at the stalls, as there was food and beverages to suit all the tastes. Those who settled for a "more quite" environment, went to the "Tea garden" to enjoy the company of other people and to feast on delectable cake, coffee, tea and pastries.

The Strongman competition turned out to be a popular event, as the enthusiastic learners were encouraged to show their muscle power against each other.

Of course, Curro Carnival Circus's Haunted House or rather "House of Horrors" is not to be forgotten. This was definitely only for the brave-hearted ones. Anxious learners waited for hours to experience this unforgettable "adventure". Some found it all too scary and had to go back. The Haunted House was a most popular place amongst the learners and just had to be experienced! The high school's Student Council can pat themselves on the shoulder, as they made a huge success of this project.

This successful day would certainly not have been possible without the immense input of our wonderful parents and educators. We were extremely proud of our Curro learners' exemplary behavior. A huge thank you to the committee members for all the hard work that went into this fun day.

It was certainly a lovely and most enjoyable "Celebration Day" that will be remembered for a long time. CURRO CELEBRATES!

Ready steady go...

Welcome speech

Stalls

Fun rides

Thank you

Thank you to all the class representatives, parents and donators for your time, sacrifices, co-operation and donations. Without you the day would not have been such a huge success!

Thank you Mr Landseer Collen for the beautiful aerial photos taken with your drone!

A special word of thank you to Mr and Mrs Muller for the chest freezer. It will be utilised at many events and functions. We sincerely appreciate your generosity and thoughtfulness.
