A Placement test is written for acceptance into Curro Klerksdorp. These examinations are to ensure that the learner is placed in the correct grade, in order that his/her scholastic career is successful. Once the forms are completed, a credit check will be done, on acceptance of the financials a placement test date will be scheduled for your child. Placement tests are only for Grade 1 to 12 learners, Grade RRR, RR and Grade R learners do not get tested, only an evaluation form is completed by the parents which is followed by an interview.

Parents must please note that the medium of instruction is English. It is imperative that the applicants are fluent in the **English Language**. A second language is compulsory and a choice is given between Tswana and Afrikaans from Grade 4. No other second languages are presented at Curro Klerksdorp, it is imperative to have either of the two second languages.

Success in the examination, does not guarantee acceptance of the learner to the school, as numbers in classes and boarding are restricted. Learners with the highest Academic Record and correct age will be given preference.

Grade 11 learners are only admitted at the Head's discretion and **we regretfully do not accept Grade 12 learners.**

For any further information or queries regarding **Application Process** please do not hesitate to contact the School.
