On occasion, as part of the extramural programme and total learning experience, the school provides learners with an opportunity to go on special group excursions, usually with fellow learners of the same age.

Although the school and the Curro Holdings Ltd board of directors will attempt to maintain reasonable and generally accepted standards to ensure the safety and well-being of all learners and teachers, the possibility of accidents and/or injuries occurring can never be excluded and participation in any such excursion therefore carries with it some measure of risk. The learner has indicated a desire to take part in the above-mentioned excursion. Naturally, the school and the Curro Holdings Ltd board of directors cannot accept responsibility for any accident and/or injury that occurs during an excursion.

To ensure that the learner is allowed to participate in the excursion as part of a group of learners, you are requested to complete the section below as proof that you understand the position of the school and the Curro Holdings Ltd board of directors and that you accept the risks involved.

By signing below, you agree to the following:

I, the undersigned parent/legal guardian of the learner mentioned on the slip, indemnify the school and the Curro Holdings Ltd board of directors, for the time being of Curro Holdings Ltd (reg. no. 1998/025801/06), for and losses or damages in general, however they may occur, that I as parent/legal guardian of the above-mentioned learner may suffer as a result of any occurrence whereby the learner may be involved, whether as the causing or suffering party, whilst participating in the above-mentioned excursion.

In particular, I authorise that the above-mentioned learner may participate in all normal activities usually associated with a similar excursion, and I give my consent that he/she may make use of the transport arranged by the school for the excursion. I also indemnify the school and the Curro Holdings Ltd board of directors for any damages or losses that I, as parent/legal guardian of the above-mentioned learner, may suffer under such circumstances and voluntarily accept all the risks associated therewith.

I as parent/legal guardian, cede my powers to the executive head of the school or his/her representative, should medical treatment/surgery be deemed necessary for my child, and accept that I shall be held responsible for the payment of medical/hospital accounts where applicable.
