Term 4

Tell me and I'll forget.

Show me and I may remember.

Involve me and I learn. – Benjamin Franklin

CTF believes the best way taught is through involvement and we encourage our children to do so in everything we do at school.

Term 4 at the Castle was all about celebrating what we achieved throughout the year, and what a wonderful year it was.

As we say goodbye to 2017 we welcome all our new 2018 Stars and another promising year ahead.

Our Christmas Day

On 1 December, we were greeted with an exciting surprise. Santa brought us a special delivery while we were sleeping.

We had a magical day with our little Stars. We enjoyed watching their little faces light up with genuine excitement as they opened their presents. This brought so much happiness to us as educators - moments like this remind us why we became educators.

Last day of school fun

We celebrated our last day of school on 6 December where we ended off our year in the classic Castle way - a big party!

We rejoiced in all we achieved in 2017 and we left school with the anticipation of what 2018 would bring.
