

Executive Head's Address

Dear Parents/Guardians,

Thank you for your support during our first term of 2018!

When I look back on the first day of school and remember the many anxious, but excited faces that greeted me and I see how quickly and wonderfully our learners have taken ownership of their education at Curro Rivonia, I am overcome by an immense amount of pride.

I would like to thank each of our learners for their hard work and dedication during this term and wish to commend them for the high standard they have set for the remainder of the year.

I wish every learner and parent a blessed and well deserved holiday. We look forward to starting the new term with rejuvenated energy and excitement for what the next term will bring.

Warm regards,

Brian O'Neil

PEC Movie Night

Curro Rivonia's Got Talent

From the PEC
Classifieds

The Curro Rivonia PEC would like to thank the parent community for their support of our first PEC Fundraiser for this year. More than 120 people attended the event and we raised a fair amount of money for the PEC.

Funds raised by the PEC will be utilised to acquire additional facilities and/or equipment for our learners so as to enhance their learning and recreational environments on campus.

The PEC will host at least two fundraising events per term, with our next event scheduled for 17 May 2018.

We look forward to seeing our Curro Rivonia community there!

Curro Rivonia's Got Talent

E-Learning Device Insurance

We appeal to all Grades 4 to 8 parents to please take out insurance on the 2-in-1 devices of your children.

As a school, we cannot be held responsible for any loss, damage or theft of any learner's e-learning device, but we have also taken the necessary steps to ensure that loan devices are available in case of emergencies.

MyHub Guardian App

The Curro group has launched a new smartphone application especially for our parent community!

The "MyHub Guardian" App is available for free in the Google Play Store and the Apple Store.

This App allows any parent/guardian to have access to all school communications sent via MyHub. Parents just need the relevant login details that were sent upon your child's enrolment at the school. Alternatively, you can follow the registration process on the App.

Curro Rivonia will utilize the App's calendar function to communicate any events, activities, assessments or other information that relates to each child. Parents can also use the App to make payments online or order uniforms.

All communications that have been sent via MyHub to date are also available for viewing on the App.
