

HIGH SCHOOL

CURRO DigiEd New Road

Our goal is to develop responsible, independent and proud individuals who will make a positive contribution to society.

Our ethos is governed by Christian values (ethics and morals) where learners are encouraged to explore and express their individuality within acceptable boundaries, and ultimately take responsibility for their actions.

We guide them to follow their hearts and minds to develop into the best people they can be.

Our schools follow an enriched CAPS curriculum, thereby creating a dynamic curriculum that covers problem-solving, critical thinking and the development of skills and values. Both individual and group work are evaluated.

Curro DigiEd produces a community of teenagers who know how to think innovatively, express their ideas and take charge of their own lives.

Learners are prepared for the National Senior Certificate (NSC).

Our vision is to prepare learners for the 21st century by:

- providing progressive, technologically-advanced and innovative education;
- focusing on 21st-century skills;
- implementing a project-based, hands-on and collaborative learning programme;
- creating a values-based school community, and
- making use of a modern and technology-rich learning space.

Curro DigiEd has developed a unique learning model that uses e-learning. We use leading international e-learning tools. This is enhanced by project-based deep learning programme with an emphasis on Science, Mathematics and Technology.

Learners will have:

- a coding and Robotics programme;
- tutoring in small groups;
- a longer school day, but no homework;
- a Saturday programme, and
- an opportunity to learn advanced computer skills.

Subjects offered:

- English home language
- Afrikaans or other first additional language (TBA)
- Mathematics
- Physical and Life Sciences
- Computer Applications Technology
- Information Technology
- Social Sciences
- Economic and Management Sciences

Curro DigiEd is for the learner who wants a modern Mathematics- and Science-based education and who has dreams of tertiary education. Our learners learn at their own pace with experienced teachers and tutors. Our school days are longer and we have a no-homework policy, which means less work for you as the parent.

HOW TO ENROL

STEP 1:

Enrol online at www.curro.co.za or email us for information and an application form: info.newroad@curro.co.za.

STEP 2:

Submit your completed application form along with all supporting documents (indicated on the application form) to the school via email: info.newroad@curro.co.za.

Note: Supporting documents for online enrolments are to be uploaded.

STEP 3:

Application forms will be assessed.

STEP 4:

If successful, parents will receive via email, a welcome letter and invoice for a once-off non-refundable enrolment fee.

STEP 5:

Once the enrolment fee is paid, the child's place is confirmed (please retain proof of payment for record purposes).

STEP 6:

Please refer to www.curro.co.za regularly to stay up to date with all the relevant news and arrangements.

PLEASE NOTE:

A learner must benefit from the Curro DigiEd mainstream curriculum and it is therefore necessary to assess each application for admission. Applicants are assessed according to the normal entry requirements and, if necessary, extra assessments may be requested.

We look forward to welcoming you to the Curro DigiEd family.
