Spring week

The excitement is in the air! Spring is here. . . The days are getting warmer and we can smell the sweet smell of Jasmine.

Please remember to layer your child's clothing and label ALL items with your child's name. The lost property tub keeps overflowing.

Another important note is to dress your children in functional clothing for school. We encourage our little ones to learn with their entire body, therefore their clothing needs to flexible and appropriate.

Try and avoid very long dresses, expensive clothing and fancy shoes. Your child has a busy day exploring and needs to be able to move freely.

The upgrades have started, and I would like to thank all the families for their patience through the process. A friendly reminder to notify anyone who is fetching your child to use the original Castle entrance.
If Grandparents, transport companies etc. are collecting your little one, it is important for them to know where they are going.

We encourage you to have fun making a spring hat with your little one. Take the time to listen to your child's ideas and plan together. Get messy and be creative!

The Garden competition has been put on hold due to construction. In the meantime, all gardens have been given some extra TLC. Fresh compost, flowers and a gentle clean out.

I love working with children and being a part of their lives
I love all my children for who they are, teaching them is the greatest joy by far.

There is a lot of change happening at the Castle and it is going to look awesome once completed!!! I just can't wait, although I have to say being back in the old reception area is so much fun and I feel so more in touch with everyone and boy does it get LOUD ...lol

Corny Jokes ....

Yesterday I saw a guy spill all his Scrabble letters on the road.
I asked him, "What's the word on the street?"

Another one....

Did you hear about the actor who fell through the floorboards?
He was just going through a stage.

POETRY RECITATION

A huge congratulations to all learners who performed along with the rest of their class on Thursday morning. It was evident that learners enjoyed the experience, even though some of them were a bit nervous at the start. Thank you to mums, dads and extended family members who joined us on the morning. A recitation in general sense is the act of reciting from memory or a formal reading of a verse or other writings before an audience. Recitation means **recreation of poems**. Recitation is one of the most important and effective modes of learning a language and appreciating a piece of literature.

CURRO AURORA - GALAXY HALL

After eight months of construction, the new hall will officially be opened on 19 August.

The handover of the sound and lighting system, installed by Audiosure in the newly built Galaxy Hall, took place on Wednesday 28 August.

The Curro Aurora sound teams, who will be trained by Audiosure specialists, joined Executive Head JC Engelbrecht for the final check and handover ceremony.

The powerful new AV system gives Curro Aurora the ability to stage high quality events, assemblies, awards ceremonies, productions, exhibitions and presentations. Watch this space!

The multipurpose hall can seat +-700 people and is raising the bar as far as school hall and performance space is concerned.

Proudly Curro Aurora! 🎭
