E-learning devices (tablets) will be utilised by all learners from Grade 5 to Grade 10.

This will have the following impact on parents:

- If your child is in Grade 5 to Grade 10, you will be responsible for purchasing an e-learning device (tablet) for your child to use. The school will provide you with details and the minimum specifications required for the device.
- You will be responsible for the insurance and general maintenance and care of the device.

4. Debit orders

We strongly recommend parents to sign a debit-order for their monthly commitments, such as school fees and aftercare (if your child is enrolled at aftercare), or any other monthly levies that may be invoiced to your account.

- A debit-order can assist in ensuring that your monthly commitment is met timeously.
- This can avoid your account from falling into arrears.
- For your convenience, we offer three possible payment dates: 2nd, 16th and 26th of the month.

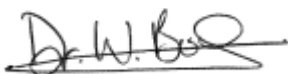

Please note the following:

- If the debit-order is dated for the 2nd of the month, the deductible amount will be for that month's school fees, for example, 2 February = February school fees.
- If the debit-order is dated for either the 16th or 26th of the month, the deductible amount will be for the following month's school fees, for example, 16/26 February = March school fees.

Once-off costs such as stationery, textbooks, Athletics and excursion levies will not be included in the debit-order deduction. These additional costs need to be settled via EFT, in the month in which they are invoiced.

We thank you for selecting Curro Waterfall as your school of choice. We look forward to welcoming you and your child/children to the school. We believe that 2020 will be a successful school year for us all.

Kind regards

Dr Wilfred Bock
