CURRO

Castle George

Home away from home

At Curro Castles we believe in the magic of CHILDHOOD, the JOY of being young and the unbridled INNOCENCE of youth.

We focus on:

- 1. The unique child:** Curro Castle George recognises that every child is a competent learner from birth who can be resilient, capable, confident and self-assured.
- 2. Positive relationships:** Curro Castle George children learn to be strong and independent from a base of loving and secure relationships with parents and or a key person (teacher).
- 3. Learning and development:** Our children develop and learn in different ways and at different rates and all areas of learning and development are equally important and are inter-connected.
- 4. Enabling environments:** Our environment plays a key role in supporting and extending a child's development and learning.

Grade R

In Grade R we focus on an integrated play-based curriculum with specialised educational programmes:

- The phonological awareness programme which is explicitly taught in small groups and includes interactive games
- The Bazoo integrated literacy programme
- The NumberSense programme which is a learner-centred approach where problem-solving is the starting point
- Introduction to Robotics through Duplo Lego

Grade R is the bridge from the concrete world to the world of symbols and numbers in Grade 1.

GENERAL INFORMATION

- We have created a centre of learning where children can realise their full potential by providing a comprehensive, individually-orientated education of the highest standard.
- Curro Castle George provides a sound foundation for meeting the tasks and challenges of future learning.
- We create a child-friendly environment where the child is encouraged to explore a wide variety of experiences, developing a curious mind and a love of learning.
- We encourage social and life skills in a warm and loving environment, with a focus on positive attitudes and moral values.
- We promote creativity and critical thinking by encouraging children to make their own choices within well-established boundaries.
- We create a sound and safe environment where each child is extended and growth is encouraged academically, socially, emotionally and spiritually.
- The curriculum includes Lego Education (Groups 1 to 5) learning concepts and the activities built around Lego Soft Bricks form the important early foundations for later Robotics studies.
- Our four-week cycle menu includes well-balanced, wholesome meals and snacks which are prepared freshly by the Castle chefs in the Hansel and Gretel kitchens.
- Progress reports for Group 1 to Group 5 are handed out at the end of the 2nd and 4th terms, while progress reports for Grade R are handed out at the end of every term.
- The Castle does not close during school holidays, however we are closed on public holidays and for a specified period during December and January. (Refer to our website for more information.)

We aim to inspire young minds to become extraordinary through the unique Curro nursery school curriculum.
