

Dear Grade 7 Parents (Grade 8 in 2020)

### TEXTBOOKS 2020

The following textbooks have been selected for 2020. All e-pubs will be available directly from ITSI. In the Senior phase (Grade 8 and 9) the use of electronic books is recommended. Only Accounting and Business Studies require hardcopies. We are negotiating with PNA for the supply of hard copy books. We will make one bulk order for the whole grade 8 class for Accounting and Business Studies books. Please do not order your own books for these two subjects.

E-pubs will be available from ITSI for purchasing as from **15 November**. Our staff will be available for assistance with the purchasing of online e-pubs from **15 November until 4 December**. A special training and information session for parents and learners will be held at the school on **2 December**. Details will be made available in due course.

Please note that books for Afrikaans and Curro Mathematics will be provided by the school.
