Dear Parents/Guardians

Welcome back to a very busy 2020! I'm sure that it's going to be a wonderful year, where we are all going to learn a lot.

Many learners were very excited to see their new friends and teacher, and are looking forward to a new school year. To those mummies and daddies of the little ones still crying... it does get better. To the ones not crying, they are growing up. We have an open door policy at Curro Castle, so please feel free to come and speak to us should you have any questions.

On Friday, 24 January we had our get-together picnic. It was a wonderful opportunity for the parents, teachers and children to get to know each other. The evening turned out well and the weather played along, what a perfect way to start the weekend!

On Friday, 31 January we had great fun by dressing up as our favourite super heroes and enjoyed a puppet show afterwards. During the week we discussed our theme about people in our community that help us; like doctors and firefighters. They are our community super heroes and we are very thankful for the great job they do.

We are currently living in a country where load shedding is a reality, but we would like to assure you it will be business as usual at Castle. We will let you know when and if load shedding is taking place at school. In case of load shedding, please contact us on our emergency number: 061 465 3027 as our office telephone lines are also effected during power interruptions. Please keep in mind that some of the cellphone service providers are also off during load shedding.

We would like to inform you in advance that the school will be closed on 28,29,30 April 2020. We will be running a holiday program which all learners, both half day and full day, can attend. There are no extra costs involved.

Please visit our Facebook page, where we regularly post cute photos of our learners and school events: <https://web.facebook.com/CurroCastleKrugersdorp/>. Attached is also more information about Curro's MyHub applications.

Baby Moses House in Roodepoort wishes to thank everyone who contributed last year, by donating stationery, clothing, lunchboxes and water bottles for the use of their 116 children. Your assistance makes caring for the children so much easier.

All extramural activities are now in full swing while the Group 5 computer classes have also started this week. The events for the rest of the term are as follows:

3 February	Theme: Down on the farm
10 February	Theme: Healthy and unhealthy food
14 February	Valentine's Day
17 February	Theme: Couriers/letters/post parcels
18 February	Group 4 eye tests
19 February	Group 4 eye tests
20 February	Group 5 eye tests
21 February	CANSA Day
24 February	Theme: Factories, Group 5 hearing tests
28 February	Leap Year Day
2 March	Theme: A special family
6 March	Grandma and Grandpa Picnic
9 March	Theme: Bees and honey
16 March	Theme: Go green
20 March	School closes
21 March	Public holiday: Human Rights Day
23 March	Holiday program: Space
31 March	School reopens, Theme: Water and safety

Curro regards

*Train up a child in the way he
should go: and when he is old,
he will not depart from it.*

Proverbs 22:6
