CURRO Rosen Castle

Home away from home

At Curro Rosen Castle, we have created a safe, fun-filled environment where children can reach their full potential.

We focus on:

- 1. The unique child:** Every child is a competent learner from birth who can be resilient, capable, confident.
- 2. Positive relationships:** Through loving, secure relationships with their parents and teacher, children learn to be strong and independent.
- 3. Learning and development:** Children learn in different ways and at different rates, while all areas of learning and development are equally important and inter-connected.
- 4. Enabling environments:** We offer the Curiosity Approach, which embraces the Reggio Emilia philosophy. Outdoor play areas include jungle gyms, play houses, shaded areas for creative and sensory play, and more.

The Early Learning and Development Areas (ELDAs)

Our nursery school curriculum is designed with the Early Learning and Development Areas (ELDAs).

- **Physical well-being:** health and safety, gross motor development, fine motor development
- **Identity and belonging:** self-awareness, self-management, social awareness and social management
- **Communication:** listen and understand, speak and communicate, make meaning and represent
- **Mathematics:** quantity and numbers, measurement, patterns, shape and space, data collection, time and ordination
- **Creativity:** daily life and play, visual arts, performing arts
- **Learning about the world:** exploration and inquiry, knowledge and understanding, executive function

The Curiosity Approach is being introduced as a new curriculum philosophy. It encourages and re-introduces uninterrupted play-based learning to encourage the development of 21st-century skills such as problem-solving, collaboration, self-motivation and independent thinking.

GENERAL INFORMATION

- We offer the Curiosity Approach, which embraces the Reggio Emilia philosophy.
- Outdoor play areas include jungle gyms, play houses, shaded areas for creative and sensory play, and more.
- Safety and security measures include guarded gates, CCTV monitoring, and proper hand-sanitising protocols.
- Our programme includes activities built around large soft bricks, which form the important early foundations for later Robotics studies.
- Our menu provides well-balanced, wholesome meals and snacks which are freshly prepared in our on-site kitchen.
- Teachers each have teacher's assistants based on the age group number of children in the class.
- We have a registered nurse and first-aid officers on-site during the school day.
- Children's progress is monitored on a continuous basis. Parents are updated regularly and receive a detailed written report at the end of each term.
- We are open during school holidays and run a full holiday programme. However, we are closed on public holidays and specified dates as reflected on our website.
