

AN ELEVATED PRE-SCHOOL EXPERIENCE

Home away from home

At Magic Beings we have created a safe, fun-filled environment where children can reach their full potential.

We believe in:

- 1. The unique child:** Every child is a competent learner from birth who can be resilient, capable, confident.
- 2. Positive relationships:** Through loving, secure relationships with their parents and teacher, children learn to be strong and independent.
- 3. Learning and development:** Children learn in different ways and at different rates, while all areas of learning and development are equally important and inter-connected.
- 4. Enabling environments:** As children learn from their environments, our classrooms and play-grounds act as a third teacher of sorts, thereby encouraging children to explore, play and learn.

The daily programme

Our daily programme includes:

- Morning ring
- Theme exploration
- Creative activities
- Performing arts
- Free play
- Movement development
- Perceptual and sensory play
- Story and language time

QUICK FACTS

Language: English

School times: 08:00 – 18:00

Early drop-off time: 07:00

The Early Learning and Development Areas (ELDAs)

Our nursery school curriculum is designed with the Early Learning and Development Areas (ELDAs).

- Physical well-being: health and safety, gross motor development, fine motor development
- Identity and belonging: self-awareness, self-management, social awareness and social management
- Communication: listen and understand, speak and communicate, make meaning and represent
- Mathematics: quantity and numbers, measurement, patterns, shape and space, data collection, time and ordination
- Creativity: daily life and play, visual arts, performing arts
- Learning about the world: exploration and inquiry, knowledge and understanding, executive function

Group 1 (0 to 1 year)

Our baby centre has three cosy rooms, expertly equipped and staffed to accommodate babies. Our staff-baby ratio is 1:6, with an experienced supervisor overseeing the entire baby centre.

We use daily progress charts to monitor each baby so that we can proactively manage their general well-being. We supply bottles, formula and toiletries, as well as wholesome meals and snacks when babies are ready to start solids.

Moms can get advice or encouragement on feeding, weaning, teething and other milestones from our baby centre supervisor.

Our stable, healthy routine includes age-appropriate stimulation, tactile play, music, storytelling, baby gym and baby massage. Our baby centre has a separate garden with an AstroTurf where they can enjoy the activities offered.

Groups 2 to 3 (1 to 3 years)

Our dedicated teachers each have two assistants on hand to help as necessary, while our well-equipped classrooms each have their own playgrounds, with beautiful outdoor equipment. We offer swimming lessons (two heated pools), karate, ballet, SoccerStarz and much more.

Our dynamic routine follows weekly themes, complemented by age-appropriate activities that encourage the development of communication skills, fine and gross motor skills, and concentration. Weekly music classes and sing-alongs are also included.

Children are assessed continually, and parents receive reports at the end of the 2nd and 4th terms. We also provide breakfast, lunch, and snacks. Some annual highlights include Mother's and Father's Day mornings, Easter egg hunts, grandparents' morning and educational shows.

Groups 4 to 5 (3 to 5 years)

Our exciting academic programme is designed to integrate with the Cambridge Assessment International Education system, which is followed in Cooper College (a Curro Select school with which we are affiliated). All activities are age-appropriate and are linked to an interesting theme.

We create an exciting and constructive atmosphere where we develop and encourage creative thinking. Teachers receive ongoing training in all matters relevant to childcare, keeping them up to date with current best practices. We have a registered nurse on-site, and all staff are trained in/or currently undergoing training in first-aid or an NQF Level 5 course.

Parents receive informative newsletters about relevant information on school activities, fundraisers and events. Parents' evenings are held every 2nd term, and comprehensive reports are given out twice a year. Children from Magic Beings receive preference when applying to Cooper College.

HOW TO ENROL

STEP 1:

Apply to enrol with one of the following options:

1. Enrol online at www.curro.co.za.
2. Download and complete the application-for-admission form available on the website or from the school.
3. If necessary, contact the school for the required documents.

STEP 2:

Submit your completed application form along with all supporting documents (indicated on the application form) to the school.

Note: Supporting documents for online enrolments are to be uploaded.

STEP 3:

Application forms will be assessed.

STEP 4:

If successful, parents will receive via email, a welcome letter and invoice for a once-off non-refundable enrolment fee.

STEP 5:

Once the enrolment fee is paid, the child's place is confirmed (please retain proof of payment for record purposes).

STEP 6:

Please refer to www.curro.co.za regularly to stay up to date with all the relevant news and arrangements.

We aim to inspire young minds to become extraordinary through the unique Magic Beings curriculum.
