## SHARONLEA

Childcare and Pre-primary

Sharonlea Childcare and Pre-primary focuses on the holistic development of each child. We have created a safe, fun-filled environment where children can reach their full potential. We strive to develop children who are positive, happy and self-confident, while preparing them for their journey to formal education.

- Our classes are equipped with educational toys, puzzles, game, and constructional toys aimed at stimulating cognitive, pincer, fine motor coordination skills and midline-crossing skills.
- We combine indoor and outdoor gross motor activities to improve sensory skills, balance and directionality skills.
- Our off-site wellness centre offers occupational therapy, counselling, and speech, language and hearing therapy at an additional cost.
- Security measures include guarded gates, CCTV monitoring, and proper hand-sanitising protocols.
- Teachers each have teacher's assistants based on the age group and number of children in the class.
- All teachers have first-aid training.
- Music is included in our daily activities to improve auditory skills.
- We provide breakfast, lunch and snacks, with refreshments in between.
- Backpack requirements for each age group can be found on our website.
- Children's progress are monitored on a continuous basis. Parents are updated every term and receive a detailed written report at the end of the 2nd and 4th terms.
- We run a full holiday programme during the school holidays. However, we are closed on public holidays and specified dates as reflected on our website.
