

Wider Subject Choice

Curro values each learner's unique interests and life goals, empowering them to pursue their passions. With our innovative approach to education through our wider subject choice offering, Curro Choice, we offer a range of diverse subjects to all Curro high school learners in order for them to customise and personalise their educational journey.

DANCE STUDIES

Available to:

IEB and NSC: Grades 10 and 11 (2025)

AN OVERVIEW

Dance Studies covers both theoretical and practical components which offer learners an exciting journey into the world of dance. Topics include anatomy, health and safety, music analysis, as well as the history and analysis of dance through the centuries. Not only do you study the history of ballet, contemporary and jazz dancing, you are also offered a choice of practical dance components. If you have an interest in the world of theatre, entertainment, education and cultural practices then Dance Studies makes for a good subject choice. Subjects compatible with Dance Studies include Business Studies, Drama and Music, especially if you are interested in the field of tourism.

CAREER PATHS

The Dance Studies portfolio offers a comprehensive outcome for the Admission Points Score (APS) which allows for many tertiary education options. Diverse career paths include education, biokinetics, physiotherapy, medicine, personal training, rehabilitation and conditioning, corporate marketing entertainment, theatre administrative management and corporate planning. Theatre technicians, and performers, as well as many other creative profiles also benefit from the study of dance.

WHAT YOU CAN EXPECT FROM THIS PROGRAMME

Key focus areas covered include an introduction to anatomy, health and safety, music analysis, the history of dance with a focus on groundbreaking South African works, the understanding of applied music theory for dance and a specified practical dance genre choice. Please note that no dance experience is required to take Dance Studies as a subject in Grade 10.
