Neatness

It is imperative that learners always look neat in their uniform, honour it and are proud of it, on and off the school premises.

Regular neatness inspections will be done, in order to ensure that learners adhere to prescriptions with regard to the uniforms and general neatness.

Decisions about neatness are up to the discretion of the Executive Head and the appointed educator in charge of neatness.

General

- A learner's uniform should be marked clearly.
- No tattoos or visible body piercings are allowed.
- For the sake of neatness, learners in the secondary school and senior primary phase may not wear a combination of school wear and sportswear. Do not wear rugby or soccer clothes with the school blazer, for example.
