I know this is a lot of information so please ask if something is unclear.

Thank you 😊

Dear Parents/Guardians

GRADE 4 TO 7: LEARNER STATIONERY 2021

The stationery lists for Grades 4 to 7 indicate all the items that a learner will need for the year. Please keep in mind that individuals differ, therefore some learners may need additional items as the year progresses.

Stationery items:

- Parents must buy all the items as indicated on the list.
Should your child still have a specific item in a good condition, then you do not have to buy that item. As long as your child has all the items on the list, previously used or newly bought.
- Please clearly mark the items with your child's name.
- Send all the items to school with your child on the first day.
The teachers will inform the learners of which items they should leave in the class, which items they should bring with them every day and which items can be kept at home.

Covering of workbooks:

Teachers issue the learners with A4 front covers (subject specific) for their workbooks on the first day of school. It is not necessary for parents to spend money on pretty book covers.

- A4 front cover issued by teacher pasted on the front of the workbook
- Cover with plastic (as indicated on the list)

Should you wish to cover your child's workbooks with pretty book covers, please do so before school starts.

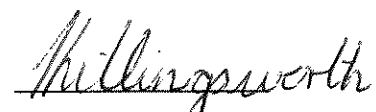

We look forward to the year ahead!

Kind regards

Mareike Bester
