PAYMENT METHODS 2022

Method 1	Annual payment in advance, due by 31 January 2022.
Method 2	Debit-order payments, which can be scheduled monthly in advance x 12 months on or about the 2nd, 16th or 26th of each month.

YOUR FAMILY CODE IS REQUIRED AS THE REFERENCE FOR ALL PAYMENTS.

Please note that your family code is very important as it ensures your account details are accurate.

Payments made without family codes cause administrative delays in updating account information.

An admin surcharge of R330 will be debited to your account each time payments are received without the family code or into the incorrect bank account, as they must be traced and reallocated to the correct account.

Please note that **cash is not accepted as a form of payment for fees** at the school.

DEBIT-ORDER COMPLETION

If you are not yet paying by debit order, we request that you do so as soon as possible since this substantially reduces the administrative burden to identify deposits into our bank account and allocate to the correct learner accounts. We rely on predictable monthly cash flows to manage our affairs.

Please complete a debit-order form and deliver it by hand to the school's bursar before 3 December 2021. The form is available from the school and on the Curro website at www.curro.co.za.
