We believe that a good education is of paramount importance for your child. Education is our passion. Playing a role in the life of your child is an honour. We are fully committed to providing an education that is second to none.

We have endeavoured to accommodate as many needs as possible, not only to remain competitive in the marketplace, but to ensure that you receive good value for your money.

‘Good value’ is perceived differently by different people. Some may be happy with pure teaching and not the extras, others want more. We believe we have accommodated all and that our learners are truly spoilt for choice.

Please find below the school fee structure for 2022. Should you have any queries, please contact the school at kenneth.c@curro.co.za or on 012 998 1774 or 087 288 4289.
