We strongly recommend parents to sign a debit-order for their monthly commitments, such as school fees and aftercare (if your child is enrolled at aftercare), or any other monthly levies that may be invoiced to your account.

- A debit-order can assist in ensuring that your monthly commitment is met timeously.
- This can avoid your account from falling into arrears.
- For your convenience, we offer three possible payment dates: 2nd, 16th and 26th of the month.

Please note the following:

- If the debit-order is dated for the 2nd of the month, the deductible amount will be for that month's school fees, for example, 2 February = February school fees.
- If the debit-order is dated for either the 16th or 26th of the month, the deductible amount will be for the following month's school fees, for example, 16/26 February = March school fees.

Once-off costs such as stationery, textbooks, and excursion levies will not be included in the debit-order deduction. These additional costs need to be settled via EFT, in the month in which they are invoiced.
