Technology provision, support and services will be included in school fees. Parents and guardians will still need to purchase devices and textbooks (hardcopy and/or e-books) in accordance with the schooling model.

PAYMENT METHODS 2026

METHOD 1	METHOD 2
Savings on early settlement payments when made 6 or 12 months in advance.	Debit-order payments , which can be scheduled monthly in advance x 12 months as per dates indicated on the debit-order form.

YOUR FAMILY CODE IS REQUIRED AS THE REFERENCE FOR ALL PAYMENTS.

Please note that **cash payment at school is not accepted as a form of payment for fees.**

DEBIT-ORDER COMPLETION

Debit orders substantially reduce the administrative burden when identifying deposits into our bank account and allocating them to the correct learner accounts. We rely on predictable monthly cash flows to pay teachers' salaries and to manage our operations, and trust that you will keep your accounts up to date.

Please complete a debit-order form and deliver it by hand or email it to the school (finance.krugersdorp@curro.co.za). The form is available from the school and on the Curro website here [Debit-order form](#).

GENERAL

1. School fees

School fees for 2026 exclude the following:

- The e-learning device and any insurance, maintenance or other costs relating to the device itself.
An e-learning device is compulsory from Grade 8.
- All textbooks and learning materials (including e-books)
- School uniform and sports clothes
- Any stationery that may be required
- Entrance fees, travel costs, accommodation and food for school excursions and sports trips, unless otherwise advised by the school
- School photos
- Therapists' and psychologists' fees

2. E-learning devices

E-learning devices will be utilised by all learners from Grade 8.

This will have the following impact on you:

- If your child is in Grade 8 to Grade 12, it is **compulsory** for them to have an **e-learning device** with the correct specifications as given by the school. You will be responsible for purchasing this e-learning device for your child to use. The school will provide you with details and the minimum specifications required for the device. A smartphone is not a suitable device to use for studying purposes. Our future-focused curriculum demands a suitable device as indicated in our specifications.
- You will be responsible for the insurance and general maintenance and care of the device.

3. Termination of enrolment

Parents/Guardians may terminate the admission and enrolment of a learner after the commencement of the first day of the school year by providing the school with at **least 3 (three) calendar months'** written notice of termination.

4. Curro Choice: Wider subject choice offering

A wider subject choice offering is available to all learners at Curro and Curro-managed schools across the country. The digital classes are available during normal class times. An additional charge is applicable to learners who opt for an additional subject (8th, 9th or 10th subjects), as outlined below.

SUBJECT	GRADES	MONTHLY FEE (only for 8th, 9th, 10th subjects)
