## CURRO Castle Secunda

### Home away from home

At Curro Castle Secunda, we have created a safe, fun-filled environment where children can reach their full potential.

#### We focus on:

- 1. The unique child:** Every child is a competent learner from birth who can be resilient, capable, confident.
- 2. Positive relationships:** Through loving, secure relationships with their parents and teacher, children learn to be strong and independent.
- 3. Learning and development:** Children learn in different ways and at different rates, while all areas of learning and development are equally important and inter-connected.
- 4. Enabling environments:** As children learn from their environments, our classrooms and playgrounds act as a third teacher of sorts, thereby encouraging children to explore, play and learn.
