Dear Parents

Purchasing of textbooks for 2021 (Gr 4 and 5)

The planning for 2021 is already well underway and the time has now come that you need to start ordering and purchasing your child's textbooks for 2021. As you already know the Grade 4 and 5 learners will not be using devices and therefore, they will only be using hardcopy textbooks.

PURCHASING OF TEXTBOOKS THROUGH THE SCHOOL

When purchasing the textbooks, you have the option to order the books through the school, which also comes with the assurance that your child's books will be at school on the first school day of 2021 or you can purchase the books independently (second hand books or through a different distributor)

Please note: If you choose to purchase the books independently the school will not be able to make provisions for learners who do not have their textbooks on time. We therefore strongly recommend that you follow the route of ordering your books through the school.

PNA has offered us a 15% discount on all textbooks that are ordered in bulk through the school. You are therefore also assured of a good price. These orders must be placed by **9 November** as this is the cut-off date to ensure that our bulk order is delivered before school opens next year.

If you choose to order your child's textbooks through the school, you will be **billed on your January 2021 school fees statement** for the cost of these books and your child will receive them on the first school day of 2021. **This amount will not go off with your debit order. You will have to pay for them separately by EFT.**

account. Either way the books will be delivered to school before the start of the new school year and you will receive a 15% discount on all the books if ordered before 9 November 2020.

SECOND HAND BOOKS

We have attached a list with contact details of all the parents in Gr 4 and 5 (2020) who would like to sell their text books. If you would like to buy second hand books, then you must please contact the relevant parents and make your own arrangements. Please ensure that you buy all the books required according to the list.

PLACING AN ORDER FOR TEXTBOOKS THROUGH THE SCHOOL

The reply slip below has to be completed and returned to school by, **Friday 6 November**. The school will not be able to provide the learners with their textbooks if the parents have not agreed to the above mentioned purchasing arrangements in writing.

Purchasing of textbooks for 2021 (Gr 6 – 7)

The planning for 2021 is already well underway and the time has now come that you need to start ordering and purchasing your child's textbooks for 2021. All the learners from Grade 6 to 7 will be using Ebooks on their devices **or** hardcopy textbooks.

IT IS COMPULSORY FOR ALL GR 6 AND 7 LEARNERS TO HAVE A DEVICE WITH THE APPROVED SPECS AS THE TEACHERS WILL BE USING MICROSOFT TEAMS AS THEIR TEACHING PLATFORM. (See attachment for information regarding the approved specifications for the devices)

The e-books are bought online, through Snapplify at **Currohermanus.snapplify.com**. I have attached a document explaining this procedure in detail.

If you have any questions or need help regarding the ordering process, do not hesitate to get in touch with the Snapplify Customer Service Team. You can email them at help@snapplify.com, or send a chat message in Engage using the chatbot in the bottom right-hand corner of the screen.

In addition to the e-books, parents will also have the option to purchase the **textbooks in hardcopy** format. You are welcome to use any distributor when purchasing these books. We have already provided PNA with the list of textbooks that we will be using, but we still recommend that you order these books before 9 November 2020.
