## CURRO Academy Mamelodi

**Our goal is to develop responsible, independent and proud individuals who will make a positive contribution to society.**

Our ethos is governed by Christian values (ethics and morals) where learners are encouraged to explore and express their individuality within acceptable boundaries, and ultimately take responsibility for their actions.

We guide them to follow their hearts and minds to develop into the best individuals they can be.

Our dynamic curriculum covers problem-solving, critical thinking and the development of skills and values. Both individual and group work are evaluated.

Curro Academy Mamelodi produces a community of teenagers who think innovatively, express their ideas and take charge of their own lives.

Learners are prepared for the National Senior Certificate (NSC).
