Technology provision, support and services are included in the school fees. Parents and guardians will still need to purchase devices where applicable. Hard-copy textbooks are rented to learners by the school on an annual basis and returned at the end of the school year. Parents will be invoiced in January 2022 for stationery and textbook rental. The costs for stationery and textbooks are additional to school fees.

NB: All monthly school fees are payable in advance. Learners returning in January 2022 must be up to date with school fees before being allocated into a class for 2022. Rental textbooks will only be issued to learners after payments have been made. Parents, please ensure that payments are up to date at all times.

## PAYMENT METHODS 2022

Method 1	Annual payment in advance, due by 31 January 2022.
Method 2	Debit-order payments, which can be scheduled monthly in advance x 12 months on or about the 2nd, 16th or 26th of each month.

**YOUR FAMILY CODE IS REQUIRED AS THE REFERENCE FOR ALL PAYMENTS.**

Please note that **cash is not accepted as a form of payment for fees** at the school.

## DEBIT-ORDER COMPLETION

If you are not yet paying by debit order, we request that you do so as soon as possible since this substantially reduces the administrative burden to identify deposits into our bank account and allocate to the correct learner accounts. We rely on predictable monthly cash flows to manage our affairs.

Please complete a debit-order form and deliver it by hand to the school's bursar before 3 December 2021. The form is available from the school and on the Curro website at [www.curro.co.za](http://www.curro.co.za).
