

Tourism

Quick Facts

Students who complete this qualification could pursue careers as tour operator, conference and events planner, travel counsellor, accommodation manager, and more.

This provides you with essential industry-related skills, simulated practical and work experience and improve your employability post qualification.

What can I do with an NCV Level 4 qualification?

- Go to university or other tertiary education institutions.
- Start working after matric.
- Start my own venture.

Programme information

The Tourism programme covers principles such as tour operating, travel processes, tourism development, conference and events planning, game ranger and safari work, and more. Students will gain exposure to the fields of tourism development, events management, hospitality and accommodation management, and overall tourism.

What will I learn?

- An understanding of the local travel and events industry
- How to work as a tour guide
- Owning and managing a tourism business
- Working at a hotel or other travel site
- How to plan and execute tours and events
- Administration and information assistance
- Conference and events planning
- Software exposure to electronic booking systems in the travel industry

Entry requirements
