YOUR FAMILY CODE IS REQUIRED AS THE REFERENCE FOR ALL PAYMENTS.

Please note that **cash is not accepted as a form of payment for fees** at the school.

DEBIT-ORDER COMPLETION

If you are not yet paying by debit order, we request that you do so as soon as possible since this substantially reduces the administrative burden to identify deposits into our bank account and allocate to the correct learner accounts. We rely on predictable monthly cash flows to manage our affairs.

Please complete a debit-order form and deliver it by hand to the school's bursar before 3 December 2021. The form is attached for your convenience or is available from the school and also on the Curro website at www.curro.co.za.

Branch code	050410
Reference	<i>Your family code</i>

We strongly recommend parents to sign a debit-order for their monthly commitments, such as school fees and aftercare (if your child is enrolled at aftercare), or any other monthly levies that may be invoiced to your account.

- A debit-order can assist in ensuring that your monthly commitment is met timeously.
- This can avoid your account from falling into arrears.
- For your convenience, we offer three possible payment dates: 2nd, 16th and 26th of the month.

Please note the following:

- If the debit-order is dated for the 2nd of the month, the deductible amount will be for that month's school fees, for example, 2 February = February school fees.
- If the debit-order is dated for either the 16th or 26th of the month, the deductible amount will be for the following month's school fees, for example, 16/26 February = March school fees.

Once-off costs such as stationery, textbooks, and excursion levies will not be included in the debit-order deduction. These additional costs need to be settled via EFT, in the month in which they are invoiced.
