GENERAL

1. School fees

An e-learning device is compulsory as from Grade 4.
- All textbooks and learning materials (including e-books)
- School uniform and sports clothes
- Any stationery that may be required
- Entrance fees, travel costs, accommodation and food for school excursions and sports trips, unless otherwise advised by the school
- School photos
- Therapists' and psychologists' fees

2. Aftercare fees

Aftercare fees for 2024 include the following:

- One meal per day
- Supervision
- Limited homework support

Aftercare fees for 2024 exclude the following:

- Specialised subject and homework support

3. E-learning devices

E-learning devices will be utilised by all learners from Grade 4 to Grade 12.

This will have the following impact on you:

- If your child is in Grade 4 to Grade 12, it is **compulsory** for them to have an **e-learning device** with the correct specifications as given by the school. You will be responsible for purchasing this e-learning device for your child to use. The school will provide you with details and the minimum specifications required for the device. A smartphone is not a suitable device to use for studying purposes. Our future-focused curriculum demands a suitable device as indicated in our specifications.
- You will be responsible for the insurance and general maintenance and care of the device.

4. Curro Choice: Wider subject choice offering

A wider subject choice offering is now available to all learners at Curro and Curro-managed schools across the country. The digital classes are available during normal class times at no extra cost to the parent. The extended offering makes it possible for a learner to take subjects not offered by the school during school hours. However, an additional charge is applicable to learners who opt for an additional subject (8th, 9th or 10th subjects), as outlined below.
